

# Permian Basin Speological Society

## NOVEMBER 1990 MEETING NOTICE

DATE: Tuesday, November 20

LOCATION: The Bentley's home  
See map elsewhere in this  
notice.

PROGRAM: A holiday pot luck dinner - bring enough food  
for yourself and someone else

TIME: 6:30 P.M.

### DUES ARE DUE

Our annual dues are NOW due. The membership agreed at the Fort Stanton Cave trip to keep the same dues -- \$5.00 per person.

### NOVEMBER CAVE TRIP

We had a good turn out with several guests for the Nov 3-4 trip to Helen's and Wen in CCNP. There was some unusual vertical gear displayed on the trip which needs to be discussed at a club meeting. Overnight camping at Park's Ranch was a real social event with the Permian Basin Outing Club and some cavers from the Dallas area. A blue norther blew in and tested the preparation and determination of the campers.

### DECEMBER TRIP

We are discussing Ogle and Helen's again. Be at the meeting to provide your input.

### A BIG THANKS FROM EXPLORER POST 85

Thanks go to Walter for helping Don's explorer post with a rappelling session on Signal Peak near Big Spring last month. Thanks go to Jerry, too, for the loan of some equipment. The kids get a real kick out of rappelling, and it was the first time for most of them. I showed several of them how to prusik, too.

### MEMBERS NOT ON THE MOVE

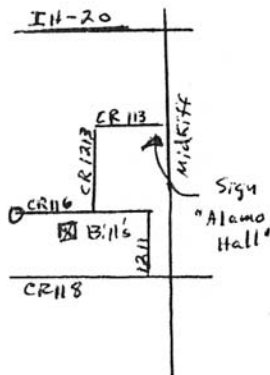

I reported in error that Jerry Atkinson has moved to houston. Jerry is alive and well here in good old Midland, and we hope to see more of him in the months to come.

ANOTHER TIME ANOTHER PLACE

Your beloved newsletter editor and Sec/Treas has a conflict with our current meeting time of the 3rd Tues since my Explorer Pose meets on the 1st and 3rd Tues. If we could meet perhaps on the 2nd Tues or somesuch it would allow me to continue doing the above mentioned duties for PBSS, otherwise I will be forced to bow out. Please discuss at the upcoming meeting. (of course I won't be there since I am obliged to attend to my Scouting duties, and my feelings won't be hurt if a change is not possible)
