

Permian Basin Speological Society

DECEMBER 1989 MEETING NOTICE

POT LUCK DINNER

DATE: Tuesday, December 19

LOCATION: Home of J.D. & Melissa Fincher, 3404 Stanolind

TIME: 6:00 P.M.

PROGRAM: Slides of recent trips, a report by Jerry on his recent Mexico Caving trip, and planning for our January trip to Montgomery Cave.

WHAT TO BRING: Enough to share of whatever you like to eat or drink

NOVEMBER MEETING REPORT

We had our first meeting at the new location at St. Paul Methodist, and it is a great meeting room! Thanks to Will & Debbie for setting it up for us. We will be meeting there on a regular basis except for occasional social gatherings such as we are having this month.

NOVEMBER TRIP REPORT

I understand that there was a good turnout for the trip last month to Cottonwood, Black, and Hidden. If somebody will give me the details I will record them for posterity here in the only publication in the Permian Basin devoted solely to caving news.

DECEMBER TRIP

December 9-10 -- Permits have been secured for all the caves on McKittrick Hill northwest of Carlsbad, N.M. for Saturday. One cave, Algerita, is a newly discovered cave with limited access, and Dave Belski will be the tour guide through it.

Permits for Spider and Christmas Tree Caves in Carlsbad Caverns National Park have been secured for Sunday. There is a \$5.00 fee for touring Spider Cave. Christmas Tree has small entrance drop and some climbing is involved.

Some of us will be on McKittrick Hill Friday night, and others will go up Saturday morning. I am including a road guide for those of you who may have never been to these caves before.

NSS MEMBERSHIP

For those non-NSS members in the club I am enclosing some membership info. If you need an application blank, see me at a club meeting.

ELECTION REPORT

Bill Bentley resigned as club president anticipating new demands on his time by the almost-here Baby Bentley. Thanks for your guiding hand during our first few months, Bill. Have you considered an NSS family membership? Our new president is Chuck Anderle. Chuck and Jan are new cavers with a lot of enthusiasm and ideas for club activities.

Last Name	First Name	W PHONE	H PHONE	HOUS #
Anderle	Chuck & Jan	685-3119	685-3119	31477
