Midland, Texas**

**Announcing:
The
Southwestern Regional
Winter Technical**

CALL FOR PRESENTATIONS

The Permian Basin Speleological Society of the National Speleological Society will be hosting this year's technical paper regional in Midland, Texas, with presentations being made at the Permian Basin Petroleum Museum on December 4th. We are looking for presentations on cave topics (humorous and informative) for this event. Abstracts are not required, however, scheduling is important. We need to know if you have a talk/slide presentation of interest to an audience of cavers from the Southwestern Region. The deadline for scheduling purposes is November 1, 1993.

NO EXCEPTIONS!

We already have a few presentations lined up, but we are open to suggestions and a wide range of topics (such as: geology, archeology, speleology, hydrology, exploration, survey, biology, or other cave related subjects).

Be sure to give us your input. Contact: Bill Bentley at 3815 West County Road 116, Midland, Texas 79706, (915)697-3079; or Don Carlton at 1301 Daventry, Midland, Texas 79705, (915)687-4352.

We will have a party and some real Southwest barbecue, and plenty of it. So y'all come, Ya hear!
