## News and Stuff

Our very own **Rebecca Lee** has published an article in a major publication, the New Mexico Magazine, the March 2001 issue to be exact. The article "The Women of Carlsbad Cavern" first appeared in the "Hole News" a couple of years ago, minus the old photographs. The magazine is on the shelves now and I will bring a couple of copies to the next meeting. Congratulations Rebecca on a job well done, and keep up the good work.

As you can see on the **PBSS membership** page, our ranks have diminished. Please check the list for correctness, there has been changes in e-mail address and home address.

## PBSS Remailer

Hi All,

I set up a announcement and discussion list for the Permian Basin Speleological Society. I highly recommend all use and subscribes to it. It could be used to announce Club Meetings, convention info... Caving trips and so on!

Rules are simple... There are no rules except we keep the discussions related or remotely related to caving and PBSS! Flames and personal attacks are discouraged and will NOT be permitted! I control the list! Abuse and you will be deleted! Please! Don't make me do this! This should be a invaluable tool in addition to the club web site and the Internet.

Thanks

Bill

The URL to subscribe is!

Also pass this around to all your PBSS caving friends, Oh Yeah its **FREE** too!
