JUNE 1990 MEETING NOTICE

DATE: Tuesday, June 19

LOCATION: St. Paul Methodist Church, 4501 Thomason
Park at the rear of the church.

TIME: 6:30 P.M.

OGLE CAVE TRIP

Jerry Atkinson, Will & Debbie Brinson wanted to see ALL of Ogle, so they made a return trip on June 3rd. No details, but Jerry said the recent fire reached into West Slaughter Canyon, and they went through part of the burned area on their trip.

MORE ON THE FIRE

Little was reported locally on the fire that burned thousands of acres of National Forrest and Park land west of Carlsbad Caverns National Park. Jerry Atkinson said that it burned down into the bottom of West Slaughter Canyon, and in the area of Dark Canyon and the lookout tower where Cottonwood is located the "Texas Campground" on the top of the ridge burned. If anybody has more info on the fire, let me know, and I will put it in the newsletter.

CHRISTMAS TREE TRIP

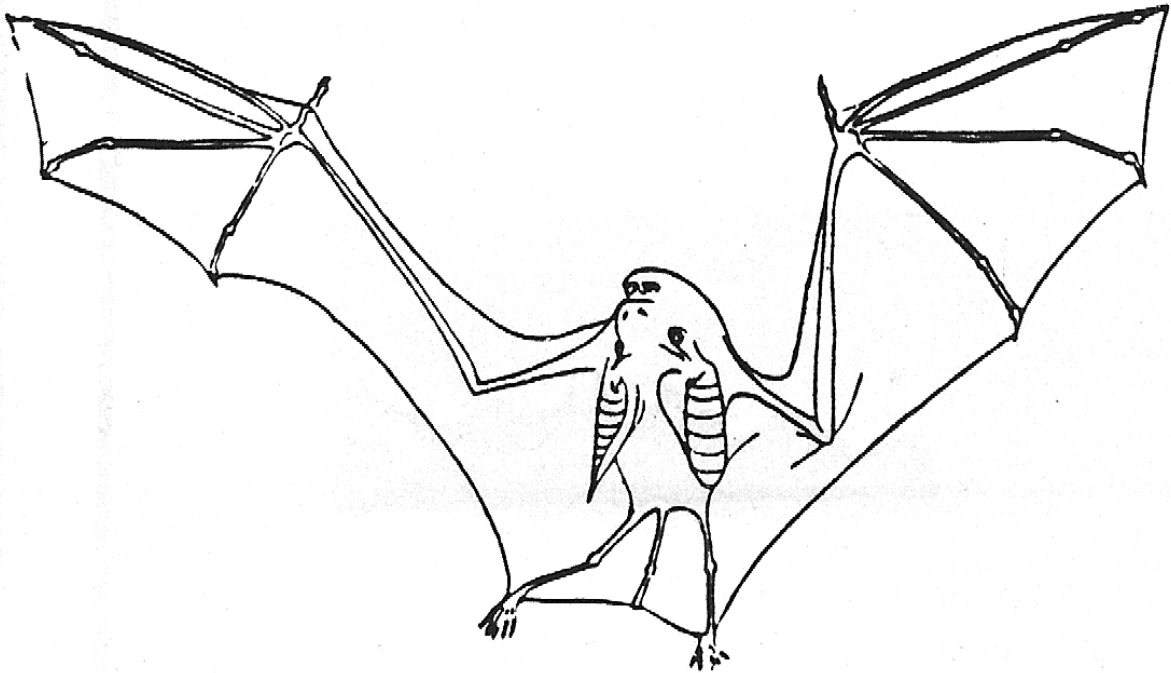

Will and Debbie organized a quick trip to Christmas Tree Cave in Carlsbad Caverns NP in May. Will reports that the cave has lots of pretty formations, but it only took 20 minutes to see them.

JUNE CLUB TRIP

Arrangements have been made for a joint trip with the San Antonio Grotto on the weekend of June 23rd. One of the three caves on the schedule sounds like it might be Robber Baron Cave which was reported in the June, 1989 issue of NSS News. I'll have that issue at the meeting. Call Will or Debbie for more info and be at the meeting for final details.

GOOD BYE SUZIE & JIM!

We are losing Suzie and Jim to Houston in the upcoming Exxon move. We're sorry to see you go. Houston has an NSS grotto, though, so keep on caving.
