From the Editor:

As you can see the PBSS “Hole News” has changed a little bit. Mr. Bill our former editor has wimped out. Hopefully I can do as good of a job as he did. One change you may have noticed , there is no picture on the front cover. It may be a while before we start this again. I need to get a little bit more proficient at producing a newsletter first. Please excuse any mistakes or errors, this is the first time I have tried anything like this. As for the grotto member list at the end of this publication, save this. This will be the last one until the first of the year. Cave Softly.

ATTENTION NEW MEMBERS

Allen Lamem has permits for McKittrick Hill caves. The caves include Endless, Sand, and McKittrick. The caves of McKittrick Hill are very Good caves for beginners or novices Cavers. These caves are horizontal and do not require rope or vertical ability. I have maps for anyone who Does not know how to get there, (they are located in New Mexico). Try and make it, they are net caves.
