AUGUST 1990 MEETING NOTICE

DATE: Tuesday, August 21

LOCATION: St. Paul Methodist Church, 4501 Thomason
Park at the rear of the church.

TIME: 6:30 P.M.

AUGUST CAVE TRIP

Walter Feaster has arranged for a trip to Honey Creek Cave on August 25. The cave is located near Boerne which is 55 miles northwest of San Antonio on IH 10. There will be camping available Friday Night at the cave site which is on private land. The cave is as wet as you can get, and cold, too, so a wet suit and probably fins are needed. This is not cave diving, however, since you don't have to go completely under water. More details will be available at the meeting, or call Walter in Odessa at 361-8253.

JULY CLUB TRIP

A large group of PBSS cavers made a trip into Lincoln National Forest to explore Hidden and several other nearby caves last month. Chuck has promised a trip report, so let's hold him to it. ☺ ☺

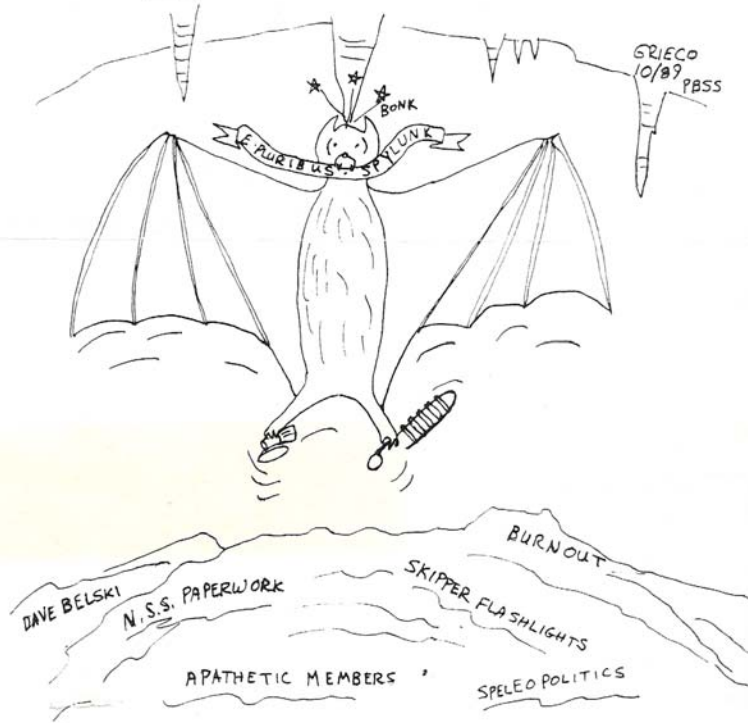

WELCOME GUESTS

we had two guests visit us last meeting. Jean Curley is new to caving, but is eager to give it a try. Rodney Ellis has been caving in Texas and New Mexico, and he can probably show us some new caves. We're glad to have both Jean and Rodney, and hope they decide to join the club.

GREAT NEWS

Many of you have enjoyed some of the cave art of the renowned spelo-cartoonist Tony Grieco formerly of the PBSS and now a GDI in Hobbs, NM. I commissioned a brand new cartoon to commemorate the resurrection of PBSS, and after a year of feverish hallucinations, Tony has produced! Not one work of art but 14!!! Shown here is the first in a series of the never before published "Grieco Cave Art For The 90's"!!! Remember that you saw it here first, folks.
